THE PRODIGAL PUP ✓

Every dog family as well as other families has a black sheep.  
So it happens that this little wayward pup was dishonorably discharged  
from the household of Farmer Al.

As the time speeds on into a great big future, the farmer's big  
fatheaded son, pulls a stupid stunt by becoming tangled up in his Dad's  
balloon tire and is carried away into the air. The old man is frantic.  
But not so with Little Blackie Pup he rushes to the rescue in a duck  
aeroplane. He brings the balloon down, then after a struggle on the  
edge of the river, brings the fat headed son home to his daddy and all  
are reconciliated amid great jubilation. Proving that: "The Memory Of  
The Deed Lives"
